Function 2 h - the dryer will heat for 2 hours, then it will automatically turn off.

Function 4 h - the dryer will heat for 4 hours, then it will automatically turn off.

ON/OFF
The green LED indicates that the dryer is ON.

MAIA	Black coated	Polished stainless steel	Width (A) x Height (B) [mm]	C	With cable	Weight [kg]	HO [W]	Degree of protection
right	MA1B-RK	MA1SS-RK	600 x 1700 - 1770	568	✓	6	93	IP44
left	MA1B-LK	MA1SS-LK	600 x 1700 - 1770	568	✓	6	93	IP44

Right / left variants depending on the side of the electrical cable. If the electrical cable is on the right, the controller is on the left = right-hand variant MA1-RK, and conversely.
